

934 PERISH AS LINER GOES DOWN

CONTINUED FROM PAGE ONE

wreck. Parents had been parted from children, wives from husbands. There were hundreds of eager families which the company officials could answer but vaguely.

Was New Liner.

The Empress of Ireland was a twin screw steamer of 8,335 tons burden. She was 325 feet long and equipped with modern apparatus not only for wireless work but for submarine signalling. The liner was built in 1906 and three years later set a record on a run from Quebec to Liverpool.

The steamer was one of the most popular vessels in the service of the Canadian Pacific Railway and always carried a large number of passengers. She has plied for several years between St. John and Quebec and Liverpool.

Lieut. Kendall, of the royal navy, who commanded the Empress of Ireland, has had few accidents in his career. He is regarded as one of the most capable commanders in the Canadian Pacific service.

OWNER OF ILL-FATED SHIP BLAMES COLLIER

Montreal, Quebec, May 29.—Sir Thomas Shaughnessy, president of the Canadian Pacific Railway, issued the following statement tonight regarding the loss of the Empress of Ireland:

"The catastrophe, because of the great loss of life, is the most serious in the history of the St. Lawrence route.

"From the facts as we have them it is apparent that about 3 o'clock this morning the Empress of Ireland, when stopped in a dense fog, was rammed on the port side by the Norwegian collier Storstad in such a manner as to tear the ship from the middle to the stern, thus making the water-tight bulkheads, with which she was provided, useless.

"The vessel settled down in fourteen minutes. The accident occurred at a time when the passengers were in bed, and the interval before the steamship went down was not sufficient to enable the officers to rouse the passengers and get them into the boats, of which there were sufficient to accommodate a very much larger number of people than those on board, including the passengers and the crew.

"That such an accident should be possible in the St. Lawrence and to a vessel of the class of the Empress of Ireland and with every possible precaution taken by the owners to assure safety of the passengers and vessels, is deplorable. The saddest feature of the disaster is, of course, the great loss of life and the heartfelt sympathy of everybody connected with the company goes out to the relatives and friends of those who met death in the ill-fated steamship."

SAD SCENES ENACTED AT LIVERPOOL OFFICE

Liverpool, May 29.—Pathetic scenes were enacted at the office of the Canadian Pacific Railway in the city today. Crowds of weeping men and women begged for news of the officers and crew of the Empress of Ireland, the majority of whom were gathered here. When confirmation of the disaster was received several of the women fainted. Today's scenes were a duplicate of those witnessed at the time the Titanic went to the bottom.

London, May 29.—Gen. Booth sends the following message to the Salvation Army, in Toronto: "My heart is stricken with grief at the loss and sorrow which has fallen upon us in this appalling disaster. Our comrades were true, brave and devoted, and their places will be difficult to fill. I am sending Commissioner McKie to stand by you. I assure you of the prayers of the whole army in the world. Mrs. Booth joins in deep sympathy with all the bereaved, both in Canada and the home land."

RELIEF TRAIN WRECKED.

Levis, Quebec, May 29.—Disaster has followed disaster in connection with the Empress of Ireland catastrophe. In the gulf this morning, a special relief train, made up here this morning, was rushing to Rimouski to carry medical aid to the survivors and to bring them back to Quebec, when it jumped the track and was wrecked, although it is understood nobody was hurt. A second train was

made up as soon as the news of the wreck was received, but it is not yet known whether the line will be clear in time to allow it to pass.

ORANGEMEN EXPRESS SYMPATHY

Regina, Saskatchewan, May 29.—Immediately after the opening of the morning session of the Grand Orange Lodge reference was made by Judge J. H. Scott, grand master, to the disaster to the Empress of Ireland. Expressions of sympathy were made by several delegates and the following resolution was unanimously passed: "This Grand Lodge, representing the Orangemen of Canada, desires to extend sincere condolence to fellow-citizens, who have been bereaved in the recent disaster."

DELUGE AT STEAMSHIP OFFICE.

New York, May 29.—During the day the local offices of the Canadian Pacific Railway was deluged with telephone calls when news of the Empress of Ireland disaster spread through the city. Inquirers obtained but little satisfaction as the officers got practically all of its information from the newspapers.

SALVATION ARMY IS SHOCKED BY DISASTER

Impromptu Services for Lost Comrades
Aboard Empress, of Whom 153
Out of 175 Died.

New York, May 29.—In the auditorium of the Salvation Army in Fourteenth street hundreds of delegates assembled late this afternoon for an impromptu memorial service for their comrades lost in the Empress of Ireland disaster. The service was called when definite news came by telephone from Toronto that at least 153 out of the 175 Salvation Army delegates on board the liner had perished. Confirmation of the army's loss came at a late hour when a direct telephonic communication was made with Brig. Alfred Rawlins, head of the army in Toronto. He said that he had just re-

SPONGE IS THROWN UP BY SENATE COMMITTEE

Body on Interstate Commerce Postpones All Trust Legislation
Until December.

After a fruitless effort to come to a conclusion on the question of reporting a bill for an interstate trade commission, and postponing all other trust legislation until the regular session in December, the Senate Committee on Interstate Commerce practically threw up the sponge today when it voted to postpone the bill until the next session. The committee was divided 4 to 3 on the question of passing the bill. The bill would give the interstate trade bill and allow the other legislation on trusts to go over until the regular session, pending a report from the interstate trade commission as to what the legislation would be. A motion in the committee by Senator Willard Saulsbury, of Delaware, to make a report to the Senate in accordance with this bill is still pending. The members of the committee apparently do not want to take a vote on the question until they are more definite as to what the President will accept.

The fact became known yesterday that a number of changes have been made in the bill and made public. The most important of the changes affects interlocking directorates. A total of \$2,114,398 has been raised for the Alexandria Hospital building fund. The sum of \$799.91 was added to the list today. The campaign is slated to close tomorrow night. Among the contributions and pledges received today was one for \$100 from the Alexandria Hospital building fund. Other contributions are: H. R. Norton, Washington, \$100; Alexandria Glass Works, \$100; Edmund Burke, Boston, \$50; H. W. Wildt & Son, \$50; Colored Odd Fellows of the city, \$50; Althea Bros., \$20; C. T. Nicholson, \$10, and Nathaniel H. Berman, \$10.

D. A. R. PLACE TABLET OVER PATRIOT'S GRAVE

District Committee Holds Exercises in
Honor of Gen. James Jackson,
of Revolutionary Fame.

A bronze tablet was placed over the grave of Gen. James Jackson, of Revolutionary fame, in Congressional Cemetery yesterday by the District Committee of the Daughters of the American Revolution. This is the third tablet erected here by the Daughters. Sergt. Hess, a bugler from the Marine Barracks, blew taps and "The Star Spangled Banner" and Chaplain M. A. Brown, U. S. N., delivered an invocation. The tablet was presented by Mrs. H. P. McIntosh, historian of the D. A. R. committee. A sketch of Gen. Jackson was read by Mrs. Cora Bacon Foster. Mrs. McIntosh presided. Claude Bennett, president of the Southern Society, was the orator. Others present were Senator Hoke Smith, of Georgia; Maj. M. A. Brown, U. S. N.; and Mrs. Browne, Mrs. Rogers, of Georgia; Mrs. C. DICK'S MEMORIAL DAY.

By LOUISE OTIS.

"I hate goody-goody people," Lucille turned up her pretty nose to emphasize her remark, and succeeded in making Dick Verner feel about as insignificant as a shoe button. "But I think there's a difference between goody-goodyness, as you call it, and common honorableness. It's just a case of not wanting to disappoint Dad."

JUDGE GEORGE GRAY RESIGNS FROM BENCH

Edward G. Bradford and Victor B. Woolley Indorsed as Successors
to Delaware Jurist.

INTEREST SHOWN AT CAPITOL

Special to The Washington Herald. Philadelphia, May 29.—Judge George Gray, of Wilmington, Del., resigned today from the bench of the United States Circuit Court of Appeals in the Third district. The resignation, which was sent to Washington, will take effect June 1, and it is understood that he will resume his law practice. It is rumored that Judge Edward G. Bradford will be his probable successor.

President Wilson yesterday accepted the resignation of Judge George Gray, of Delaware, as judge of the Third Judicial Circuit Court. The resignation will become effective June 1. It was requested by Judge Gray. The President, in a letter made public last night at the White House, expressed high appreciation of the services of Judge Gray in his ten years upon the bench.

The news of Judge Gray's retirement from active service on the bench created surprise and aroused much interest at the Capitol, particularly among Senators, many of whom knew him personally and served with him in the Senate. Probably one of the most interested was Senator Willard Saulsbury. He said that he had expected Judge Gray would retire sooner or later, but that he had not been advised as to the date of his retirement.

Among the members of the bar in Delaware the retirement was expected and quite a number of lawyers have already written Senator Saulsbury, informing Judge Victor B. Woolley, of the Delaware Supreme Court. Senator Saulsbury said that the people of Delaware took the greatest pride in the public career of Judge Gray. He spoke very highly of Woolley, but did not indicate that he would finally endorse Judge Woolley for the place. Judge William H. Boyce, also of the Delaware Supreme Court, has been endorsed for the appointment, but the indications yesterday were that the Delaware delegation will finally unite in support of Judge Woolley.

SNOOT TO BE ONE OF SPEAKERS.

Senator Reed Smoot, of Utah, has been added to the list of speakers for the big mass meeting to be held next Monday evening at the New Willard to protest against the discharge of old veterans from the government service. Others who will speak are Senator Kern, Senator Jones, of Washington, and Dr. J. K. Gleason, commander of the Department of the Potomac, Grand Army of the Republic.

THE OLD SOLDIERS!

Our ranks are growing thinner, every year,
And death is still a winner, every year.
Yet we still must stick together,
Like the toughest set of leather,
And in any kind of weather, every year.

Our comrades have departed, every year,
And our number may feel us, every year.
But their spirits still greet us,
And constantly entreat us,
To come back they may meet us, every year.

Our steps are growing slower, every year,
And our hearts may feel us, every year.
Yet we stand firm in the battle,
Amid the market's rattle,
Defying showers of steel, every year.

We are growing old and lonely, every year,
And our hearts may feel us, every year.
And we stand firm in the battle,
Amid the market's rattle,
Defying showers of steel, every year.

Many people may forget us, every year,
And our hearts may feel us, every year.
But while we stand in the battle,
Our souls with hopes are lifting,
To heavenly scenes still shining, every year.

The Stars and Stripes grow lighter, every year,
With labor harder lighter, every year.
By blood of soldier sons,
On the rolling seas,
On Freedom's holy yoke, every year.

In the May time of the flowers, every year,
We have lived in golden hours, every year.
And our deeds are sung in story,
Through the future growing hours,
With a bloom of living glory, every year!

TETTER ON SCALP COULD NOT SLEEP

Went Over Entire Body, Itching
and Burning. Large White Blisters.
Hair Fell Out. Cuticura
Soap and Ointment Cured.

R. F. D. No. 4, Linden, Tenn.—"Cuticura Soap and Cuticura Ointment cured me of a terrible skin trouble called tetter. It began on my scalp causing my hair to fall out, then it went over my entire body. The itching and burning were so bad that I scratched and made sores. My clothing became so filthy with the burning on my body more intense. My skin looked as if it had been scalded. I could not sleep much at night. Later on it took the form of large white blisters. My hair fell out gradually and was thin, dry and lifeless."

"I tried several ointments and took a treatment but nothing did me any good. I had been troubled with the tetter for about one year when I began using Cuticura Soap and Ointment. After bathing with Cuticura Soap and applying Cuticura Ointment I was astonished to see the great relief. Cuticura Soap and Ointment cured me in four weeks." (Signed) Miss Vera Bell, June 27, 1913.

The regular use of Cuticura Soap for toilet and bath not only tends to preserve, purify and beautify the skin, scalp, hair and hands, but assists in preventing inflammation, irritation and itching of the pores. Cuticura Soap 25c. and Cuticura Ointment 15c. Sold everywhere. Liberal sample of each mailed free, with 33-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

"Men who shave and shampoo with Cuticura Soap will find it best for their skin and scalp."

She smiled. "Nothing, Dick. I've just
